

Ariatti Equestrian Center
4065 Webb Road
Simpsonville, KY 40067

To all students and parents:

Thank you for choosing Ariatti Equestrian Center for your equine needs. We are excited to be celebrating two years on the farm! We look forward to continuing to improve the farm for years to come.

As you may know, the price of our goods have increased in the last two years of service. We have done our best to keep from passing the cost onto you, while at the same time continuing to offer exceptional service. However, we can no longer afford to offer the services at the quality you expect.

As you might notice, not all of our prices have increased and we will continue to make every effort to control our costs so the horse experience can be offered to everyone. Please don't hesitate to email me with any questions, concerns or suggestions. I want you all to continue to enjoy our facility and the horse for as long as you are able.

Before I break down our services I want to remind you all that we do have a Paypal account and payments can be made online via our website. If you need help using this please just ask.

Prices effective December 1, 2017

Boarding services:

Main barn board - \$625 to include to feedings of McCauley's feed a day; max of 12lbs a day or six scoops, good quality grass hay in field and stall, cleaning of stall with mats, two water buckets, fans and non frozen water in winter.
